COORDINATING COMMITTEE

MEMORANDUM FROM THE UNITED STATES DELEGATION

Concerning

AGENDA ITEMS FOR MEETING OF SUBCOMMITTEE ON EXPORT CONTROLS

The United States Delegation suggests the following items which should be included on the proposed agenda for the May 19 meeting of the Subcommittee on Export Controls in Rome:

a. TAC:

1. Discussion of utilization of TAC Scheme where a resident of a participating country acts as a principal in a transaction involving the shipment of goods to the Soviet bloc from a country not cooperating in the Scheme.
2. Advantages of having participating countries exchange TAC forms.

b. IC/DV

1. Discussion of problems in issuance of and requests for IC's due to insufficient commodity detail.
2. Review of statistics of IC/DV issuances and receipts since last meeting.
3. Discussion of changes in IC/DV procedures.

c. Diversion Cases:

Review of diversion cases presented by the participating countries. Frank and extensive discussion of the details in an effort to (1) point up where closer cooperation among the participating countries can or could have frustrated a diversion and (2) lead to a greater appreciation of the complexities of the diversions, the devious routes utilized, and a clear identification of the techniques.
